PAVING, RESTRIPIING PROJECT TO PROVIDE BICYCLE ACCOMODATIONS IN CHESTER

Expect overnight lane closures and minor delays on W. Hundred Rd.

W. Hundred Rd./Rt. 10 (Chester) – The Virginia Department of Transportation (VDOT) crews will begin a resurfacing project next week that will narrow existing travel lanes and restripe pavement markings to provide for bicycle and pedestrian accommodations. The project limits will extend approximately 2.5 miles from Womack Rd. to the Breckenridge Shopping Center, just west of Jefferson Davis Hwy. (Rt. 1). Travel lanes will be narrowed in both directions from 12 feet to 10.5 feet to allow for 5.5-foot lanes for cyclist and pedestrian travel.

Drivers can expect alternating lane closures and minor delays during overnight hours for construction. Work begins Sunday, June 21 8 p.m.-5:30 a.m. and is scheduled to be complete in December 2015.
